

Launch of Forex Category on Bharat Connect through FX-Retail Platform

The Forex category has been launched on Bharat Connect through FX-Retail platform by the Deputy Governor, RBI, Shri. T. Rabi Shankar on October 7th, 2025 at the Global Fintech Fest held in Mumbai. This integration enables seamless onboarding and booking of forex transactions for the customers through various banking and third-party applications enabled with Bharat Connect.

In the first phase of this launch, the facility has been made available to the individual customers to purchase US dollars through the apps, thereby enhancing transparency, efficiency and convenience to the customers in their forex transactions.
